With reference to your No.C.1722-3, dated 10th April 1922, forwarding for opinion the petitions received by Government from th e residents of Magge and Kundur praying that the Itinerant Dispensary sanctioned for the former place may be retained there, I have the honour to state that the subject was considered at the District Board meeting held during the month and a copy of the resolution passed in the matter is appended below:- The Itinerant dispensary is now located at a place named "RAYERKOPPALU" a little far away from "Magge" - where there are not many houses. By the resolution it is intended to remove the Dispensary to Magge if the people will find accommodation there or to remove it to Kundur as this village is considered Central and the Dispensary would do more useful work there than at its present place.

SIR,

With reference to your letter No.L.1439-Med.1-21-91 dated 9th August 1922, I have the honour to forward herewith a copy of letter No.852 dated 2nd October 1922, from the District Medical Officer, Hassan, and to state that I agree with him in thinking that the dispensary may be allowed to continue at "Rayerkoppalu" hamlet of the Magge village in its present building and then shifted into the new buildings promised to be constructed by Mr.Kargode Nanje Gowda and others at the same "Rayerkoppalu" instead of being shifted either to Magge or Kundur.

2. A copy of the District Medical Officer's letter has also been forwarded to the President, District Board, Hassan, for a reconsideration of the Board's Resolution of the 12th May 1922, in the light of the District Medical Officer's letter and for communication of the Board's resolution direct to Government to save time.

Letter No.852 dated 2nd October 1922, from the District Medical Officer, Hassan, to the Senior Surgeon in Mysore, Bangalore.

****

With reference to your No.C.1722-9 dated 12-8-22 re: the shifting of the Dispensary at Rayarkoppalu (Magge) either to Kundur or to Magge, I have the honour to state, that I inspected Kundur on my way to Meggy on 29-9-22 and found the village to be a small one. The only accommodation that could be had for the location of the Dispensary is the old abandoned police lines (owned by a private gentlemen). These consist of ill-ventilated four small rooms.

2. A musaferkhana is under construction, but this building being built for travellers is not suited for the location of a dispensary.

3. In addition to want of proper housing facilities for the location of the Dispensary and staff, Kundur is about 12 miles from Kenchamma Hoskete, (which is included in the jurisdiction of the Sub Asst:Surgeon) and will be only four miles from Settihully where there is an aided dispensary.

4. While I was inspecting the Dispensary at Settehally on 29-9-22, I met the RevFather of Magge, and had a talk with him as to whether he could provide any accommodation for the location of the Dispensary at Magge. The Father said he was unable to provide accommodation, as there were no suitable buildings in that place. I inspected Magge on 30-9-22 and could not find a single suitable building as most of the houses, except the Church and Rev.Father's quarters, are thatched huts. This village, situated as it is in an out of the way place- far off from the main raad- will not be easily accessible to the Public.

5. The Dispensary in its present situation is doing good work, and is centrally situated bwteen the Kundur and Kenchamma nahoskot & hoblies. Royarakoppal as it is called is an outlying road-side hamlet of the Magge Village and is a fit place for the location of the Dispensary permanently.
